

Booster Report – March 2011

Symphonic Band Update:

The students did an excellent job at the February Festival Concert with Dr. Worzbyt and the Music In Our Schools Concert on March 4th. I am so proud to work with these students and their continued efforts have been recognized. Dr. Worzbyt is very impressed with their level of musicianship and improvement over the past three years. Congrats to all.

Students are currently “testing” in Symphonic Band. Please encourage your child to practice the band music at home to increase their skill level for the playing test and to improve the ensemble.

- ✓ Trumpet Clinic – Friday March 18th in the afternoon. Dr. Ted DiSanti – Clinician
- ✓ Pippin – April 7-8-9
- ✓ May 5th – Elementary Band Concert at McClure at 6:00 PM

Music Department Trip – SPRING 2012

In order to qualify for the spring trip in 2012 students must be scheduled for a full year of BAND or ORCHESTRA. Students who are signed up for second semester classes ONLY will not qualify to participate in the trip.

Thanks to all who are assisting with student activity and events throughout the year. Special thanks to those who fed/planned and assisted with the February Festival. Also, we are grateful to anyone helping with the Color Guard Show on Saturday. We have 40 groups attending so it is a great way to boost our organization – both financially and in public relations.
